Asessorinkatu 3

Kaarina, Asessorinkatu 3

Business premises in Kaarina’s Krossi industrial area

Asessorinkatu is located in the popular Nummenniitty and Krossi industrial area, offering excellent transport connections. Completed in 2007, the property provides modern and flexible pemises for office, storage, and production use. A spacious yard ensures smooth goods handling and logistics, while the relatively new building guarantees hassle-free tenancy.

Premises and features

Designed for light industrial use, the property offers adaptable solutions for various business needs. The premises are well-maintained and suitable for multiple purposes. Ample parking space in the yard supports easy access and efficient logistics.

Area

Krossi is one of Southwest Finland’s most significant business hubs, home to around 350 companies and 2,200 employees. The area offers excellent networking opportunities and a wide range of services. Nearby you’ll find lunch restaurants and shops, making everyday operations convenient.

Accessibility

Located close to the Helsinki–Turku motorway (E18), the property ensures fast connections to Turku, Kaarina, and the Helsinki metropolitan area. Turku and Naantali ports as well as Turku Airport are easily accessible. The nearest bus stop is about 1.5 km away.
