Pori, Eteläkauppatori 4

High-quality office and retail premises by Pori Market Square

Located in the heart of Pori at the intersection of Antinkatu and Eteläkauppatori, Torilinna offers modern office and retail premises in a prime location by the market square – a true vantage point for your business.

Premises and features

The seven-story building provides versatile and flexible office and retail premises that can be tailored to your needs. Café and restaurant operations are also possible. The property features fiber-

optic connectivity and has undergone energy efficiency upgrades, significantly reducing heating and electricity consumption. Green electricity and district heating were introduced in 2023, and waste recycling is well organized. Modern passenger elevators and a freight elevator ensure smooth access. Completed in 1936, Torilinna represents streamlined functionalism. Originally built with four floors, the building was raised by three additional floors in 1984 – a perfect blend of history and modern functionality.

Area

All city center amenities are just steps away – restaurants, cafés, gyms, and shopping opportunities. Its location by the market square makes everyday life convenient and attractive. You can enjoy a coffee at the market every day!

Accessibility

Parking is available in the adjacent parking hall and in the building's courtyard. Public transport stops are nearby, and Pori railway station and travel center are only about 1 km away. Walking and cycling routes make commuting easy.
