Helletorpankatu 31

Hyvinkää, Helletorpankatu 31

Practical retail premises in Hyvinkää automotive cluster

Helletorpankatu 31 is located in the Veikkari industrial area of Hyvinkää, right next to the Helsinki–Tampere motorway. Completed in 2019, the property offers practical and well-equipped facilities for automotive business. It currently houses Suomen Autokauppa Oy (SAKA), specializing in used car sales and offering a wide range of trade-in vehicles.

Excellent location and accessibility

The area is popular among automotive companies and is only about 4 km from Hyvinkää city center, the Willa shopping mall, and the railway station. The nearest bus stop is less than 200 meters away, ensuring good public transport connections.

Well-maintained and functional property

The building is relatively new and efficiently designed, providing effective facilities for sales and customer service. A spacious parking area adds convenience for visitors.

Automotive hub and nearby services

Veikkari hosts several automotive businesses, creating strong customer traffic and supporting operations. Hyvinkää city center services are easily accessible.
