

Kartanonherrantie 7

Espoo, Kartanonherrantie 7

Flexible and versatile premises solutions along Ring Road III

Kartanonherrantie 7 is located between Koskelo and Juvanmalmi industrial areas in Espoo, one of the most significant industrial zones in the Helsinki metropolitan area. The property offers modern and flexible premises for retail, storage, and production use. The area is home to numerous companies in construction, automotive, logistics, and light industry.

Premises and features

Completed in 2008, this two-story property provides clean, well-maintained, and spacious premises in various sizes. The facilities are equipped with features that support industrial operations, such as

loading doors and floor drains. The property uses green electricity and district heating, emphasizing energy efficiency. KIEL

Area and accessibility

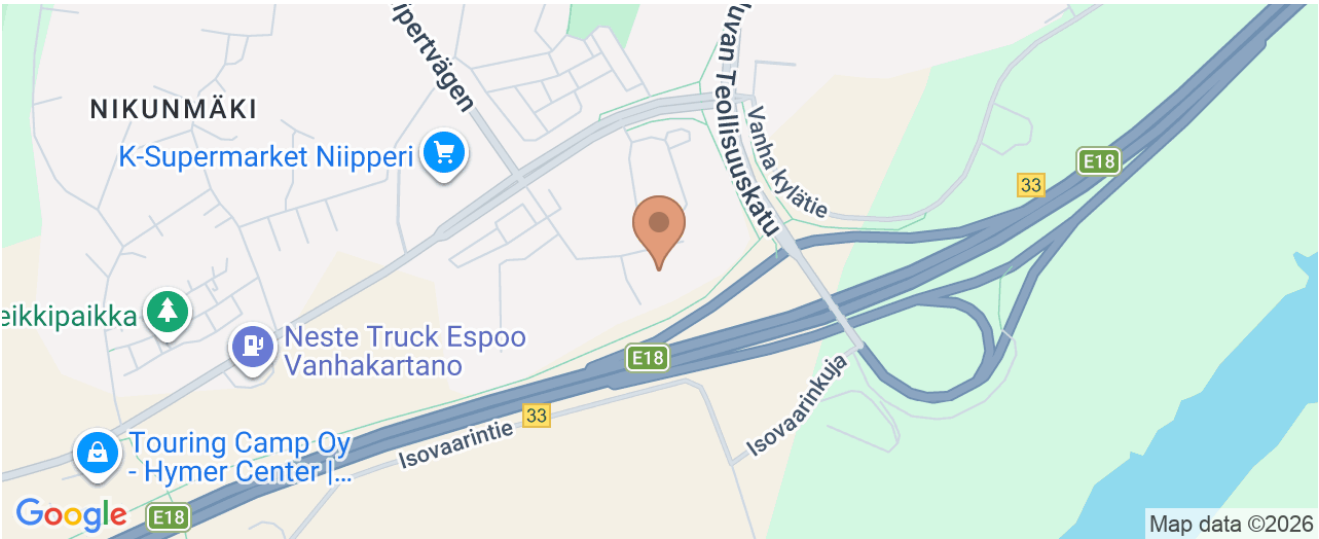

Nearby you'll find Juvanmalmi's S-Market and several lunch restaurants. Located right next to Ring Road III, the property ensures excellent connections in all directions. Helsinki city center and Helsinki Airport are only a 15–20-minute drive away. The site includes a large parking area for about 50 cars and is fully drive-through for smooth logistics.
