Portinkaarre 3

Oulu, Portinkaarre 3

Stylish retail and office premises in Oulunportti automotive hub

Portinkaarre 3 is located in the Oulunportti business area, about 10 minutes from Oulu city center and the railway station, right along the E8 highway. Completed in 2020, this property offers stylish and well-equipped facilities for automotive and office operations. It currently houses Suomen Autokauppa Oy (SAKA), specializing in used car sales, and Suomen Autohuolto Oy, providing multi-brand maintenance. SAKA's headquarters are also located here.

Excellent location and visibility

Oulunportti is a well-known hub for car dealerships and service businesses, making it an attractive area for automotive companies. Nearby, you'll find Kaakkuri shopping center and a wide range of services.

Representative and well-equipped property

The building is stylish and in excellent condition, providing high-quality facilities for business. Its clear layout and practical premises support both sales and maintenance activities.

Great accessibility

Located along the E8 highway, the property is easily accessible from Oulu city center and Kempele railway station. A dedicated parking area ensures convenience for customers and staff.
