Fresh and functional commercial premises in Oulunportti automotive hub

Portinkaarre 4 is located in the Oulunportti business area, about 10 minutes from Oulu city center and the railway station, right along the E8 highway. Completed in 2021, this property offers fresh and well-equipped facilities that meet today's standards. It currently houses Suomen Autohuolto Oy, specializing in car and utility vehicle maintenance.

Excellent location and visibility

Oulunportti is a well-known hub for car dealerships and service businesses, making it an attractive area for automotive companies. Nearby, you'll find Kaakkuri shopping center and a wide range of

services.

Representative and practical property

The building is new and well-maintained, providing high-quality facilities for business. Its clear layout and functional premises support maintenance and sales activities.

Great accessibility and public transport

Located along the E8 highway, the property is easily accessible from Oulu city center and Kempele railway station. A bus stop is only about 600 meters away. A dedicated parking area ensures convenience for customers and staff.
