Kuopion Portti C1

Kuopio, Puutarhakatu 11

Modern and stylish business premises in Kuopio Travel Center

Kuopion Portti C1, completed in 2021, offers contemporary and representative spaces in a prime location at Kuopio Travel Center – the city's public transport hub serving thousands of passengers daily. The station tunnel connects the bus and railway terminals into one convenient complex.

Premises and sustainability

The property features new retail and office premises that can be tailored to your needs. Sustainability is a priority with green electricity and geothermal heating.

Services and accessibility

Everyday services are right next door: cafés, restaurants, K-Supermarket, R-kiosk, flower shop, and accommodation options. Kuopio Market Square is just a short walk away. Accessibility is excellent: Highway 9 runs nearby, public transport stops at the door, and Kuopio Airport is less than 17 km away. The Travel Center's 500-space parking hall is open 24/7 and includes charging points for electric vehicles.

Did you know? *Kuopio Market Square is one of Finland's busiest – perfect for enjoying traditional kalakukko and the city's vibrant culture just minutes away.*
