

Ristisuonraitti 4

Pietarsaari, Ristisuonraitti 4

Retail property in Pietarsaari with excellent accessibility

Ristisuonraitti 4 is a functional and well-connected property in Pietarsaari, located at the intersection of several major roads, right next to Pietarsaari Hospital and the Kolpintie retail area. The location is ideal for space-demanding retail businesses. Several well-known chain stores operate nearby, and the city center with its diverse services is only about 2 km away.

Premises and features

The property and its retail premises are designed specifically for large-format retail. Flexible layouts allow customization to meet your business needs. Nearby, you'll find a variety of lunch and retail options, making everyday operations easier.

Accessibility

Ristisuonraitti 4 is situated at the junction of four main roads, close to Highway 68. The property has its own parking area, ensuring smooth access by car and convenient service for customer traffic.
